

K9 GENTLE DENTAL CLIENT CONSENT FORM

All animals – in particular older ones - can have unknown underlying health issues and there are always risks involved while working with animals as they can be unpredictable. K9 Gentle Dental will take every precaution when handling your pet to do our very best to keep them safe while they are in our care. Your pets' wellbeing is extremely important to us. In order to work with your pet, we will need this form completed and signed.

By signing this form, I _____, the pet owner of:

_____,
acknowledge that there are inherent risks to my pet in the performance of these services, including, but not limited to cuts, abrasions, infections, allergic reactions, muscle sprains or strains, or adverse reactions due to stress or undiagnosed health/dental issues.

I understand and acknowledge that the representatives of K9 Gentle Dental are not veterinarians and will not perform any veterinary medicine. I understand that sedation free cleanings are a hygienic service and not meant to replace visits to a veterinarian or any veterinary dental service of any kind. I understand that any information provided by the K9 Gentle Dental team members should be provided to my vet for follow up inspection. Without advising my veterinarian about performing this dental cleaning, I understand that it may make it more difficult for them to recognize areas of concern in my dogs' mouth.

I have been informed that my dog could potentially have dental issues that should be seen by a veterinarian. I have been informed that a sedation free cleaning may not be sufficient for my dog to maintain their oral health. I understand that there are limitations to sedation free cleanings, including the lack of any diagnosis or treatment. I have chosen to continue with a sedation free cleaning, which may leave underlying dental issues unresolved.

I agree that the services provided by K9 Gentle Dental are provided solely at my risk, and hereby waive and release K9 Gentle Dental, its directors, officers, employees, shareholders, volunteers, representatives, agents and the host business and its employees and representatives (the "Released Parties") and indemnify and hold the Released Parties harmless from and against any and all liabilities, claims, demands, causes of action, judgments, costs or expenses (including legal expenses) which K9 Gentle Dental or the Released Parties may suffer, sustain or incur as a result of any act or omission of any nature or kind whatsoever arising out of, or in the course of the performance of the Services.
